

**Proposal for The City of
San Augustine, TX**

Community Development & Public Works Software

Executive Summary

Thank you for considering iWorQ Systems! We have been providing government software solutions since 2001 and serve more than 1,400 customers throughout the United States and Canada. iWorQ Systems leads the industry in delivering hosted web-based solutions.

To access iWorQ all you need is an internet connection and your choice of device including desktops, laptops, smartphones (iPhone, Android) and tablet devices (iPad, Galaxy, etc.) The system's graphical user interface, including all screens and dashboards, is natively touch screen enabled allowing your staff the flexibility to determine which device to utilize inside the office or in the field.

We are confident in providing a solution that can improve your internal communication as well as increase your responsiveness to your citizens and customers while reducing the time and effort from your staff. We do this by streamlining your processes through our applications inside the office, out in the field, and provide additional access through our Citizen Engagement mobile app and web portal for internal staff and citizens.

We will follow up with you to review any questions you may have about this proposal and the next steps in our consultative sales process.

Best Regards,

Scott Jardine
VP | Sales & Marketing
