Re: San Augustine County COVID-19: Stay at Home Order

As of Monday, March 30, 2020 at 11:59PM, I am ordering all persons in San Augustine County to **STAY** at their own home!

Residents of other counties who left their primary residence and are at their second home, camp, weekend place or shared property in San Augustine County must follow this Executive Order for the duration of your presence here.

All persons in San Augustine County are permitted to perform essential needs/services or have such needs/services performed for them.

All persons in San Augustine County are encouraged not to socialize party or gather together with others during the time of this Order. This is a time for each person to protect themselves from the exposure risks of this deadly virus.

I take **NO PLEASURE** in placing this Restrictive Order into effect. However, I hold the duty and responsibility to protect the citizens of this county when there is a clear and present danger to their health or well-being.

Should citizens or persons currently present in this county be found violating this Order, they may be punished with fines up to \$1,000.00 and/or 180 days in jail for each offense.

As soon as it is safe, by my decision, this Order will be lifted. I will do so when the threat of harm or danger or loss of life has passed.

I wish to express my appreciation to each of you for your understanding and compliance with this Order. Together we will get through this.

Respectfully,

A handwritten signature in black ink, appearing to be "J. Boyd", written over a horizontal line.
